Rock Climbing Instructor Assessment Quality Assurance Form

At the MDT we are constantly trying to improve the quality and consistency of the assessments presented by our Service Providers. Please take a few minutes to complete this questionnaire.

This is purely an evaluation questionnaire and does not affect the outcome of your assessment, although your feedback is essential in to the Issuing of your Certification

Your name: _____

Assessors name(s): _____

Assessment date: _____

Please comment on how well the components of the assessment that you attended that are listed below met your expectations: (*Tick the appropriate box*)

	Below my expectations (Poor)	Fulfilled my expectations (Good)	Exceeded my expectations (Excellent)
1. Adequacy of pre assessment information? (Including any assessment materials)			
2. Your impression of the ability and professionalism of the assessor?			
3. Consideration of your specific needs?			
4. Assessment content?			
5. Assessment venue?			
6. Safety during the assessment?			
7. Assessment atmosphere?			
8. Your assessors' broad knowledge of the subject?			
9. Your assessors' ability to respond to questions adequately?			
10. Your assessors' presentation skills?			
11. Opportunities provided to prove competence of skills?			
12. Same level of fairness and equality given to all participants?			
13. Do you feel the assessment was value for money?			
14. Your overall impression of the quality of the assessment?			

Was there any aspect of the assessment that you were not happy about? If so, please explain...

Do you have any suggestions for improving the assessment?

Please briefly describe how the assessment took place: (*venue, format etc.*)

Do you have any other comments about the assessment or your assessor(s)?

- Have you completed an abseil supervisor's assessment? (*Please tick*) Yes No
- Have you completed a single pitch supervisor's assessment? Yes No
- Have you completed a rock climbing leaders assessment? Yes No
- Have you completed an advanced mountain walking leaders assessment? Yes No

Please tick the column that you agree with relating to the content of the assessment you attended:	 I was NOT assessed on this	 I WAS assessed on this	 I don't know what you're talking about
1. Care for and leadership of a party scrambling on rocky terrain including the use of short rope technique			
2. Safe control of a party in descent and retreat from a rock climb or steep broken ground			
3. Knowledge and use of a wide range of mountaineering and rock-climbing equipment			
4. Navigation in mountain terrain with speed and efficiency			
5. Instruction and coaching of committed rock climbers on multi-pitch climbs, teaching: rock-climbing skills, advanced rope work and leading			
6. Assessing the ability of a group to give a safe, enjoyable and educational day			
7. Preparation and organising a day's rock climbing instruction for a large group on a single pitch crag, including climbing, bouldering, top-roping, abseiling and lowering			
8. Performing a variety of improvised rescue techniques using normal climbing equipment, including lowering, hoisting, abseiling, prussiking and escaping from the system			
9. Assessing a crag problem and determining the most efficient and effective solution to the problem			
10. Assessing an accident scene, and implementing appropriate action.			
11. Awareness of the responsibilities of the rock climbing instructor to the South African Mountaineering Development and Training Programme, employers and society			
12. Evaluating the needs and requirements of the individual and the party and to obtain a suitable level of adventure, risk and safety			
13. Instruction of the elements of the Single Pitch Supervisor Award and the Rock Climbing Leader Certificate levels			
14. Awareness of the standards required for the assessment of the above awards and knowledge on suitable methods of assessment			
15. The philosophy, structure and organisation of the above awards			
16. The mountain environment, including: geology, natural history, flora and fauna			
17. The multiple use of mountain areas and the necessity for the conservation and protection of land against human pressures			
18. Problems relating to access to mountainous country and our impact upon it			
19. Enthusing and educating others in the above topics			
20. Rock climbing history			
21. Knowledge of a wide range of rock-climbing literature including instructional books, guide books and biographical elements			
22. The structure of mountaineering clubs and organisations			

Would you recommend the MDT Training Program? (*Please tick*) Yes No

I declare the above information to be true to the best of my knowledge: _____
